

WARNING

VOLUNTARY, PRECAUTIONARY BOIL ADVISORY

Water System Name: Cherokee County Rural Water District 13

Public Water Supply ID: OK 1021721

Dated: February 20, 2021

Due to water outages in the water system and the potential for contamination as a result of this situation, the drinking water supplied by Cherokee County Rural Water District 13 may be unsafe for human consumption. As a precaution, **it is advised that the consumers of this water system bring the water to a full, rolling boil for at least one minute before drinking,** consumption, food preparation, baby formula preparation, dish washing, tooth brushing, ice making, wound care, and bathing infants who may ingest bath water. **Alternatively, bottled water or another acceptable water source may be used.**

Important Note: This precautionary boil advisory is not related to the Coronavirus Disease (COVID-19) pandemic, and it is important to continue to wash your hands during the precautionary boil advisory.

This order is only in effect for areas that experienced an outage: Hwy 82 South area, Blue Top Rd area, and Dry Creek area.

This advisory will remain in effect until further notice. Questions concerning this situation should be addressed to Jacque Cialone at 918-457-4690.

Address of the PWS: 20102 W Cookson Bend Rd.

Cookson, OK 74427

County: Cherokee
